The East Franklin Fire Department is raising funds to memorialize Firefighter Kevin Apuzzio who heroically gave his life while attempting to save an elderly woman from a house fire in Franklin Township on April 11, 2006. A memorial monument is planned at the East Franklin Fire Department; 121 Pine Grove Ave, which will include a limited number of granite pavers to highlight the monument. The Kevin Apuzzio Memorial Fund is hopeful that with your support and through the purchase of granite pavers this fitting tribute can be accomplished. We are planning to unveil this memorial Saturday October 28, 2006.

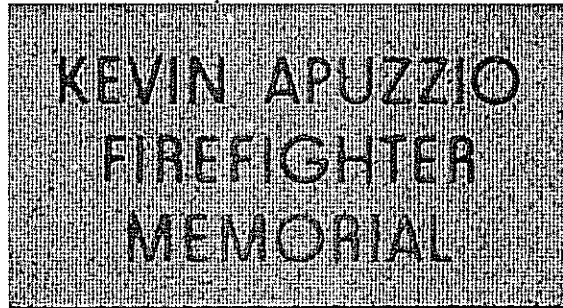

The memorial committee has authorized a limited number of granite pavers to be placed around the monument site. These pavers shall be utilized to create a walkway and foundation on which the monument will be placed.
